A lift gate is required to lift brick pallets from delivery truck to ground. You do not need a lift gate if you have a loading dock or a fork truck. If a lift gate is required \$75 will be applied to your

NOTE: Once your order has been submitted, it is considered final. Any additional bricks that are submitted later are considered a new order and are subject to additional fees. There is a lot of paperwork and time involved in generating an order, so to avoid any additional fees, make sure that you have all orders submitted and that changes are not required.
